SUBJECT: PA 15 -02 Medical Marijuana Dispensaries

Attached please find the Draft Code amendments for Medical Marijuana Dispensaries.

Overall, the proposed changes:

- Add regulations for Medical Marijuana Dispensaries under the “Special Use” chapter within the Sherwood Zoning and Development Code
- Add relevant definitions to Chapter 16.10
- Adds a new category for processing Medical Marijuana Dispensaries under a Type II land use process; and
- Adds Medical Marijuana Dispensaries as a special permitted use with restrictions under the Commercial and Industrial land use categories tables

Under Chapter 16.38 (Special Uses), the proposed language reflects the land use process for permitting dispensaries and identifies location restrictions and other site restrictions for operating a medical marijuana dispensary in the City of Sherwood. The amendments also reinforce the rules established by the Oregon Health Authority under the Oregon Medical Marijuana Program.
